StatID PRO™ COVID-19/Flu A&B

Fast, reliable answers when every minute matters

StatID PRO COVID-19/Flu A&B combo rapid test delivers quick, reliable results for COVID-19, influenza A, and influenza B from a simple anterior nasal swab. FDA-cleared for use in patients 2 years and older, the test is designed for use within the first five days of symptoms. This easy-to-use rapid assay helps healthcare providers quickly differentiate between common respiratory infections with similar presentations.

StatID PRO COVID-19/Flu A&B

The Challenge

- COVID-19 and influenza present with overlapping symptoms — guessing delays care
- Seasonal surges overwhelm hospitals and clinics, slowing treatment decisions
- Running multiple tests means more swabs, more time, and higher costs
- Missed treatment windows reduce effectiveness of antivirals and isolation efforts

The Need

- A single swab test that detects COVID-19, Flu A, and Flu B at the point of care
- Rapid results in minutes
- Clear, easy-to-read answers with minimal steps and low error risk
- Simple, consistent workflow

StatID PRO Delivers

- One swab, three answers — COVID-19, Flu A, and Flu B antigen results
- FDA-cleared, not EUA — trusted regulatory approval with proven reliability
- Approved for use in patients 2 years and older
- 15-minute visual results for immediate decision-making
- Workflow flexibility - specimens may be held in extraction tube for up to 1 hour before testing
